*\* A sketch plan of the proposed improvement must be attached. Be sure to include an outline identifying front, rear and side property lines; any adjacent streets, location shape and dimension of any existing improvements; the location, shape, dimension of proposed improvements, also show proposed parking areas. Sketch must show distances between property lines and proposed improvements.*

*\*\* If dimensional requirements are not adhered to, this permit will become invalid. All applications for a zoning permit shall be accompanied by two sets of plans showing the dimensions and shape of the parcel to be built upon, the exact size, uses and locations on the parcel of buildings already existing if any, and the location dimensions of this proposed building or alteration. A fee shall be charged for the processing of each residential application. Commercial applications are charged on a COMMERCIAL SCALE. (see town fee schedule)*
