Afterward he expressed concern to Council about the construction in progress by the Yadkin Valley Sewer Authority along South Bridge Street in Town limits. He spoke on his belief that their work was being performed incorrectly and the obligation of after work cleaning up has not been taken care of. This has left the residents through that area with a mess in their yard or driveway and put safety at risk by the loose gravel in the roadways.

Bowers gave public comment toward the end of the meeting before adjournment but wanted to speak to Council about an issue with a three-way stop sign on North Mineral Springs Drive that part of the public are disregarding and driving through unsafely. He requested information on a petition for a speed bump on his street in Town to help correct the issue by slowing drivers down.
