MAINTENANCE LABORER

Street Department

Hiring Salary Range: $35,446 - $48,875

Work Schedule/Requirements: Standard work hours of Monday-Friday from 8am to 5pm (occasional evenings and weekends as needed)

Job Position Summary:

A maintenance laborer performs tasks vital to the overall upkeep of our town's streets and roadsides. Assist with storm water drains, paving, concrete work, right-of-way maintenance, water leaks, and other related duties; drive town owned vehicles and operate job specific heavy equipment.

Duties and Responsibilities:

- Maintenance of public utilities, infrastructure, public buildings, streets, storm drainage, rights-of-way, parks, and landscaping.
- Mow and weed eating public lands, aerate, sew and fertilize grass; cut and remove trees; apply pesticides and maintain records of pesticide application.
- Must be able to drive and operate a Town vehicle and equipment including loading and unloading trailers, zero turn law mowers, excavators, skid-steers, backhoe and other equipment as necessary.
- Drive a dump truck to haul gravel, dirt, topsoil, garbage, etc..
- Maintain street signs, pave and patching asphalt on town-maintained roadways.
- Reading water meters and assisting with meter/tap installations or replacements, and repairs of water lines.
- Assist with ice and snow removal and rotate on-call responsibilities.
- Follows safety rules.
- Assist in other departments as needed to provide Town services.

Minimum Qualifications:

- High School Diploma or GED – equivalent combination of education and experience considered
- Maintain a current NC driver's license; obtain a CDL within one year of hire date
- General knowledge of the use of common hand and specialized power tools
- Ability to perform labor for extended periods, sometimes under unfavorable weather conditions; must be able to lift, move, or carry heavy objects up to 60 lbs.
- Ability to follow verbal and written assignments; establish & maintain effective working relationships with coworkers.
